

INVESTIGATIONAL NEW DRUG PROGRAM: RECOGNITION AWARDS

Nominations are requested for the **2014 IND Program Young Investigator Award**. One award will be presented. Candidates may be nominated by their mentors, colleagues, or may self nominate. Details are provided below.

<i>Name</i>	<i>Elizabeth Eisenhower Award</i>
<i>Awarded</i>	<i>Annually at Spring Meeting</i>
<i>Eligible</i>	<i>Any MD, fellow, PHD, within 3 years of certification / first faculty appointment or current fellow who have either spent time at central office (i.e fellows), worked on projects with IND (e.g. database reviews) or who have contributed significantly to the conduct of an IND trial at a centre.</i>
<i>Selection</i>	<i>All IND active centres and central office SS/SMs will be asked to nominate potential awardees and a 1 page letter of nomination and support (or scientific abstract) will be requested. The IND EXEC will review and select one awardee.</i>
<i>Award</i>	<i>Certificate of recognition and opportunity to present their work at the IND Open Meeting.</i>

Nomination Process

Option 1: Submit an abstract submitted to another meeting (e.g. ASCO, AACR) during 2013 or 2014 that meets the criteria listed above with regards to IND Program involvement PLUS a brief cover letter describing the nominees background and achievements

Option 2: Submit a letter detailing the nominees background and achievements, their involvement in the activities / trials of the IND Program in 2013/2014, and why they are candidates for the award.

Deadline: All nomination should be received no later than March 15th.
