This year, in order to provide an opportunity to have a more in-depth conversation and to answer questions, a number of disease sites will be hosting a 'side-bar' session. This will take place at a round table set-up in the same room as the booths. Please see the table below for the time and topic.

Disease Site	Time	Topic
Hematology	12:00 -12:30 pm	Q & A related to hematology trials
Genito-Urinary	12:40 -1:00 pm	PR.7 & PR.8
Gynecologic	1:05 -1:25 pm	Q & A related to gynecologic trials
