

NCIC Clinical Trials Group 2013 Spring Meeting of Participants

Clinical Research Associates Committee Meeting

*Delta Chelsea Hotel, Toronto, ON
Friday, April 26, 2013*

PROGRAM

- 8:00 am **NCIC CTG Welcome and Policy Updates**
Meet your CRA Executive and hear the most recent policy updates from NCIC CTG
- 10:30 am **Topics in Clinical Trials**
Join us for presentations on current topics in clinical trials
- *Quality of Life and other Patient Reported Outcomes in NCIC CTG trials – Ups, Downs, and the vital roles of CRAs (speaker: Dr. Michael Brundage)*
 - *Local activation and accrual: Is your centre arriving late to the party? (speaker: Dr. Chris O'Callaghan)*
- 12:00 pm Lunch (*on your own*)
- 1:30 pm **What Works? Sharing NCIC CTG Member Centre Best Practices**
This interactive, round table event provides an opportunity for CRAs from member sites across Canada to share strategies, tips and tools for effective conduct of NCIC CTG clinical trials! In a facilitated format, CRAs will discuss topics including study start-up and training, subject recruitment, data management, and more, with a goal of sharing “What Works”
