GU DISEASE ORIENTED GROUP MEETING AGENDA

DELTA CHELSEA HOTEL, TORONTO, ON

ROOM: AUSTEN

SATURDAY APR 27TH, 2013, 9:00 AM – 10:00 AM

CHAIR : A. SO

CME Credits:

Credits for Specialists: This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada, and approved by Queen's University.

Learning Objectives:

- *To understand and address, through clinical and translational research, the disease burden associated with superficial bladder cancer in Canada.*
- *To review recent developments in the understanding of molecular biology and new therapeutics as these relate to superficial bladder cancer.*
- *To update, review, and discuss recent results of clinical studies conducted by the NCIC Clinical Trials Group and/or by national/ international collaborators.*
- *To provide a learning environment supportive to new investigators.*
- *To understand and apply new clinical trial methodologies in the field of clinical research related to superficial bladder cancer.*
