

# NCIC CLINICAL TRIALS GROUP

## BLADDER

### GU DISEASE ORIENTED GROUP MEETING AGENDA

EATON CHELSEA HOTEL, TORONTO, ON

*ROOM: SEYMOUR*

SATURDAY MAY 3<sup>RD</sup>, 2014, 7:00 AM – 8:00 AM

CO-CHAIRS : S. NORTH, W. KASSOUF & A. SO

#### **CME Credits:**

*Credits for Specialists: This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada, and approved by Queen's University.*

#### **Learning Objectives:**

- *To understand and address, through clinical and translational research, the disease burden associated with genitourinary malignancies (advanced bladder) in Canada.*
  - *To review recent developments in the understanding of molecular biology and new therapeutics as these relate to genitourinary malignancies.*
  - *To update, review, and discuss recent results of clinical studies conducted by the NCIC Clinical Trials Group and/or by national/ international collaborators.*
  - *To provide mentoring opportunities for investigators new to clinical trial research.*
  - *To understand and apply new clinical trial methodologies in the field of clinical research related to genitourinary malignancies.*
-
