

Canadian Clinical Trials Group
2017 Spring Meeting of Participants

GYNECOLOGY

DISEASE SITE COMMITTEE MEETING AGENDA

CHELSEA HOTEL, TORONTO, ON
ROOM: CHURCHILL B
SATURDAY APRIL 29, 2017 – 8:00 A.M. - 3:30 P.M.
CHAIRS: MICHAEL FUNG KEE FUNG AND HAL HIRTE

(3:30 P.M. – 4:00 P.M. EXECUTIVE COMMITTEE MEETING)

CME Credits:

Credits for Specialists: This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada, and approved by Queen's University.

Learning Objectives:

- *To understand and address, through clinical and translational research, the disease burden associated with gynecological malignancies in the early and advanced disease settings.*
- *To review recent developments in the understanding of molecular biology, new therapeutics and clinical trial methodology as these relate to gynecological malignancies*
- *To update the audience on current state of National Clinical Trials Network (NCTN), new scientific directions/opportunities related to dissecting available targets in gynecological cancers and application of targeted agents to appropriate populations.*
- *To update, review, and discuss recent results of clinical studies conducted by or in collaboration with Canadian Cancer Trials Group*
- *To provide a learning environment supportive to investigators*
- *To provide mentoring opportunities for investigators new to clinical research*
