

HEMATOLOGY

SATURDAY LYMPHOMA WORKING GROUP AGENDA

CHELSEA HOTEL, TORONTO

ROOM: **SCOTT ROOM**

SATURDAY APRIL 29, 2017 8:00 AM – 10:00 AM

CO-CHAIRS: DR. M. CRUMP / DR. L. SEHN

CME Credits:

Credits for Specialists: This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada, and approved by Queen's University.

Learning Objectives:

- To understand and address, through clinical and translational research, current strategies for lymphoma management in Canada
 - To understand molecular biology and new therapeutics as these relate to the management of lymphoma
 - To update, review and discuss clinical studies planned and conducted by the Canadian Cancer Trials Group and its collaborating groups
 - To discuss the priorities for future lymphoma research in Canada practice
 - To provide a learning environment supportive to new investigators
