

SUPPORTIVE CARE

CHELSEA HOTEL, TORONTO, ON
 ROOM: ROSSETTI A&B
 SUNDAY MAY 5, 2019, 08:00 AM – 12:00 PM

CO-CHAIRS : CAMILLA ZIMMERMANN, MICHAEL MCKENZIE
 SENIOR INVESTIGATOR: HARRIET RICHARDSON

Objectives for CME accreditation

1. To understand the results of recent clinical trials in controlling symptoms of patients with cancer and the potential for future adoption of their interventions
2. To explore the role of psychosocial interventions to alleviate cancer symptoms and improve treatment-related outcomes
3. To consider opportunities to expand the use of palliative radiotherapy for the management of symptoms
4. To discuss clinical trials in the field of palliative care
5. To review opportunities to conduct trials using new methodologies
