

LEUKEMIA WORKING GROUP

CHELSEA HOTEL, TORONTO, ON
ROOM: SCOTT

APRIL 29, 2022 8:00 AM – 10:00 AM

CO-CHAIRS : SARIT ASSOULINE, LYNN SAVOIE
SENIOR INVESTIGATORS: ANNETTE HAY, LOIS SHEPHERD

CME Credits:

Credits for Specialists: This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada, and approved by Queen's University.

Learning Objectives:

- To identify and address, through clinical trial and translational research, the disease burden associated with leukemia in Canada
- To identify clinical trial research opportunities in leukemia within the Canadian Cancer Trials Group
- To integrate current knowledge regarding therapeutics and tumour biology in leukemia in trial concept development and conduct
- To integrate and apply new clinical trial methodologies in leukemia in the Canadian Cancer Trials Group research agenda
- To provide a learning and mentoring environment supportive to new investigators
