

MELANOMA DISEASE SITE COMMITTEE MEETING

CHELSEA HOTEL, TORONTO, ON

ROOM: SCOTT

SUNDAY MAY 5, 8:00 AM – 12:00 PM ET

CO-CHAIRS : MARCUS BUTLER AND IAN WATSON
SENIOR INVESTIGATOR: JANET DANCEY

CME Credits:

Credits for Specialists: This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada, and approved by Queen’s University.

Learning Objectives:

- To interpret and address, through clinical and translational research, the disease burden associated with melanoma in Canada.
- To summarize recent developments in the understanding of molecular biology and therapeutics as these relate to melanoma
- To cite and analyze recent results of clinical studies conducted by or in collaboration with CCTG
- To interpret and apply new clinical trial methodologies in the field of clinical research
