

HEMATOLOGY DISEASE SITE COMMITTEE

CHELSEA HOTEL, TORONTO, ON
ROOM: MOUNTBATTEN B
SUNDAY APRIL 27, 2025 8:00 AM – 12:00 NOON

CO-CHAIRS : TONY REIMAN, SARIT ASSOULINE
SENIOR INVESTIGATORS: ANNETTE HAY, LOIS SHEPHERD

CME Credits:

Credits for Specialists: This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada, and approved by Queen's University.

Learning Objectives:

- To identify and address, through clinical trial and translational research, the disease burden associated with hematologic malignancies in Canada
- To identify clinical trial research opportunities in hematologic malignancies within the Canadian Cancer Trials Group
- To integrate current knowledge regarding therapeutics and tumour biology in hematologic malignancies in trial concept development and conduct
- To integrate and apply new clinical trial methodologies in hematologic malignancies in the Canadian Cancer Trials Group research agenda
- To provide a learning and mentoring environment supportive to new investigators
