ROOM: CHURCHILL "B"

SATURDAY APRIL 26TH, 2025 1:15 PM –2:00 PM

CO-CHAIRS : DR DAN RENOUF & DR GEORGE ZOGOPOULOS
SENIOR INVESTIGATOR: DR CHRIS O'CALLAGHAN

CME Credits:

Credits for Specialists: This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada, and approved by Queen's University.

Learning Objectives:

- To identify and address, through clinical and translational research, the disease burden associated with malignancies of the pancreas in Canada.
- To identify clinical trial research opportunities in malignancies of the pancreas within the Canadian Cancer Trials Group.
- To integrate current knowledge regarding therapeutics and tumour biology in trial concept development and conduct as these relate to malignancies of the pancreas.
- To integrate and apply new clinical trial methodologies in malignancies of the pancreas in the Canadian Cancer Trials Group research agenda.
- To identify mentoring opportunities for new investigators.
