2019 Annual Spring Meeting of Participants

May 3-5

Chelsea Hotel, Toronto

Overall Schedule

This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada, and approved by Queen's University Office of Continuing Professional Development.

Meeting Objectives:

- To identify and address, through clinical trial and translational research, the disease burden associated with solid tumours and haematologic malignancies in Canada.
- To identify clinical trial research opportunities within the Canadian Cancer Trials Group.
- To integrate current knowledge regarding therapeutics and tumour biology in trial concept development and conduct.
- To integrate and apply new clinical trial methodologies in the Canadian Cancer Trials Group research agenda. -To provide a learning and mentoring environment supportive to new investigators.
- To provide a learning and mentoring environment supportive to new investigators.
