

Annual Spring Meeting of Participants

Travel Allotment Information and Table Funded Participants

Travel Allotment:

A **travel allotment** has been determined based on your centre’s location and travel cost information gathered from Air Canada, Porter Airlines and West Jet (economy) and Via Rail (supersaver or discounted fare). Our Travel policies were used to set a maximum reimbursement for funded participants.

Your travel allotment is to include ALL modes of transportation and travel costs (eg. flights, rail, shuttles, taxis, parking, travel agent fees, etc). If you are going to exceed your allotted amount, please contact us at meetings@ctg.queensu.ca for an evaluation of your travel allotment.

Travel and Hotel must be booked according to our [Travel Reimbursement Policy](#) (i.e. the most economical mode of travel available at the time of booking). The most economical mode of transportation may be less than the maximum allotted amount therefore; reimbursement will be given for the most economical mode of transportation. A significant savings can be realized by making reservations in advance so we ask that funded participants plan their travel at least 30 days prior to departure.

Travel allotment for two funded invitations:

If you receive two funded invitations with a travel allotment in both, you can **ONLY** use one of the allotted amounts. They **cannot** be combined or transferred to another person.

If your city is not located in the table below, please use the closet location within 25km. If this still does not apply please contact us at meetings@ctg.queensu.ca.
