2. Trial Committee Chairs and Members

Canadian Chairs and members of CCTG Led studies and Intergroup studies that are Open, Planned, On Hold or Closed to accrual in the last six months, will be sent a Fully-Funded Invitation.

3. Fully-Funded Invitation for Centre Representatives

Centre Representatives from "active" Canadian member centers (with 1 or more patient(s) enrolled in the past calendar year) will be sent a Fully-Funded Invitation. Centre Representatives from "new" centres (i.e., joined CCTG within the past year) will be sent a Fully-Funded Invitation as a gesture of welcome from the Group. Centre Representatives are expected to attend the Centre Representative Lunch on Friday.

4. Fully-Funded Nomination for Investigators and Clinical Research Associates

Active Canadian member centres with at least 10 patients accrued in the past calendar year are entitled to nominate one Investigator and one CRA to receive a Fully-Funded Invitation. Centres with 50 or more patients accrued will be allowed to nominate two Investigators and two CRA's.

- Investigator and CRA nominations are not affected by an Investigator or CRA who have already received a Fully-Funded Invitation based on another role.
- CRA's are expected to attend the CCTG CRA Program on Friday.
- Nominations are non-transferable e.g. CRA nominations cannot be transferred to an Investigator.

5. Fully-Funded Nomination for New Investigators

Active Canadian member centres can nominate one New Investigator from their centre to receive a Fully-Funded Invitation. A "New" Investigator is defined as one who has never attended a CCTG Annual Spring Meeting and is in their first 5 years of staff appointment.

*New Investigators are expected to attend the New Investigator Welcome on Friday and Debrief on Sunday.

6. Non-Funded Invitations

Although the CCTG cannot extend Funded Invitations to all members of disease site committees, working groups/subcommittees, and others, Non-Funded Invitations are sent to members of:

- Active Canadian Centre Representatives from centres accruing no patients in the previous calendar year
- Active Canadian Centre Contact Clinical Research Associates
- Disease site committee members listed above
- Working group and subcommittee members listed above
- IND Committee members that do not meet the centre accrual criteria (non-funded)
- Early Trials Advisory Group Committee Members

If you are not a member of the above committees, please view the [CCTG Registration Policy](#) for eligibility to receive an Invitation to the Annual Spring Meeting.

INVITATION TYPE DETAILS

Funded Invitations to the Annual Spring Meeting of Participants or Thursday Workshops are designated specifically for the individual and/or their role, therefore; these invitations are NON-TRANSFERRABLE.

Please read your Invitation carefully to understand the funding associated with your attendance and our [Hotel and Travel Reimbursement Policy](#) for detailed information on booking travel arrangements and other eligible expenses.

Spring Meeting Invitation Types:

- 1) Fully-Funded Invitation: The Canadian Cancer Trials Group (CCTG) will cover the following expenses:
 - Accommodation for Thursday, April 23, Friday, April 24, and Saturday, April 25 to attend CCTG meetings ONLY (unless stated otherwise) at the Chelsea Hotel negotiated room rate of \$189.00.
 - Travel allotment as specified in your Invitation that is based on your centre location, and intended to cover all transportation costs, including parking, shuttles and applicable fees.
 - A daily meal per diem for eligible meals
- 2) Partially-Funded Invitation: Some invitations may not provide a travel allotment or accommodation; therefore, it is very important to read the Invitation carefully to understand the specific funding associated with your attendance. The Canadian Cancer Trials Group (CCTG) will cover the following expenses:
 - Accommodation at the Chelsea Hotel negotiated room rate of \$189.00 for the number of nights specified in your Invitation.
 - Travel allotment as specified in your Invitation that is based on your centre location, and intended to cover all transportation costs, including parking, shuttles and applicable fees.

- Travel allotment as specified in your Invitation that is based on your centre location, and intended to cover all transportation costs, including parking, shuttles and applicable fees.
- A daily meal per diem for the number of days you attend the specified meeting for which you are invited.

CCTG Thursday Workshop & Spring Meeting Invitation scenarios:

Thursday Workshop invitations are independent of Spring Meeting invitations and require their own registration. If you plan to attend both, you must complete two separate registrations. If you are funded to attend a Thursday Workshop, following are the different types of Spring Meeting invitation scenarios:

- Funded Invitation to Spring Meeting: If you receive a funded Invitation with a travel allotment for Spring Meeting, your travel allotment will be provided in the Spring Meeting Invitation. No additional travel allotment will be provided for the Workshop, as it is already covered.
- Non-Funded Invitation to Spring Meeting: If you receive a Non-Funded Invitation to Spring Meeting, as outlined in the Invitation Policy, you will be responsible for covering the costs of additional accommodation and meals to attend Spring Meeting.
- No Invitation to Spring Meeting: If you did not receive an Invitation to Spring, you will need to request an Invitation on the [Spring Meeting webpage](#). This Invitation will be non-funded, and you will be responsible for covering the costs of additional accommodation and meals to attend Spring Meeting.
